Note: Battle Creek, June 1 – Lansing Pattengill won "first annual" Michigan Invitational Junior High School meet, beating Battle Creek I

Sources: Saginaw Daily News, Grand Rapids Press, Detroit Free Press, Detroit Times

Additional Times – turned up and typed in while I was researching, but not on top 10 – do not consider this an extension of the ab lists, many marks are missing, so you can't reliably say that "Grampa was #13 that year."
